On August 23, 1960, at around 11:00PM I was in my tent at the Plainsman campsite, when Bill Gorton entered my tent and sat down on my bed and started talking to me, he asked me if I was ticklish. I told him yes and than he started to tickle me, well doing this he started moving his hand down toward my scroden. At the same time he begin to make remarks concerning sexx. I than tried to evade him by rolling out of the bed however he pulled me back, this here went on for a period of about 45 mintues. He than started talking to me about the muscels of my body after which he left. Again the next night around 11:30PM he came back to my tent sat down on my bed and started talking to me and than he proceeded to do the same things he was doing the night before, I was unable to see what he was doing due to my flashlight being under my bed and out of reach, Again I tried to evade him but he kept pulling me back in. To. Director Camping and Activities Detroit Area Council

RE.. Bill Gorton

Marvin Marks, director Lime Lake Camp, Vince Zappone, commissioner and myself talked to Bill as soon as it was brought to our attention by Scoutmaster [REDACTED] who had talked to the boys involved.

We confronted him with the morals situation and he did not deny it. He in turn talked to him on what we were going to do and what we thought he should do. We recommended that he resign his position immediately and that he go to his summer home where his mother is now staying. Vince and Marve helped him pack and we took him into town where he is to meet a friend who will take his luggage and himself to Detroit and then up North.

We told him that if the boys told their parents and the parents wanted to press charges, this they could do. I also told him I did not know what the Council would do but that Mr. Leist knew about it, as he happened to be in Camp at the time, and that I was sure he would tell Mr. Specht who was now out at the Ranch. We also advised him to seek Medical and any Legal help NOW.

Bill made no denial of the accusation and his only response was that he was very sorry for anything he might have done. In all fairness I should say that he did a better than average job as Field Sports Director and a good job of managing the farm house staff as far as keeping the place neat and clean.

Sincerely

PERSONAL AND CONFIDENTIAL
Re: William Gorton and
~~Donald G. Boyce~~

Dear Walter:

Thank you for the confidential record sheets concerning Mr. Gorton and Mr. Boyce. As you request, we have placed their names on the Confidential File.

For the guidance of those who may sit here in the future, it would be most helpful if we had as much information as possible. If boys were involved in Mr. Gorton's "moral offenses," perhaps they or their parents would be willing to give you a statement of events that took place. You can assure them that these statements are made a part of the permanent record, they are kept under lock and key, and under no circumstances will they be shared with anybody. Also, if there has been any newspaper publicity, we would appreciate having it for our files.

Sincerely yours,
PERSONNEL DIVISION

Basil F. Starkey
Director of Registration
